Interview and immersion experience!

Submit your resume for an opportunity to interview for a graduate position in Arup’s Seattle office. As part of the interview process you’ll participate in an immersion experience that includes multidisciplinary presentations about our innovative projects. The event is by invitation only and will take place in October. To apply, please email your resume to kelleyasimpson@outlook.com by October 17 with the subject “Seattle Immersion Experience.”

Please note: A 3.0 GPA is required to be considered for the event.

Contact Kelley Simpson at kelleyasimpson@outlook.com with any questions.

This 12-acre, 900,000ft² LEED Platinum-certified campus returns more than 40% of the site back to green space through two acres of living roofs. Water conservation features enable the foundation to recycle up to 1.2 million gallons of water annually. Arup’s services included structural, mechanical, electrical, plumbing, and façade engineering; IT and communication systems; and security, acoustic, and sustainability consulting. The design was documented using 3D software including Revit, ABS, and Cadduct.
