Have you ever considered starting your own business, seeking a patent for one of your ideas, or are interested in cutting edge research and translating those ideas to the marketplace? If so, UConn’s Entrepreneurial REU is for you!

Join us for a 10-week REU program:
June 5th – August 11th, 2017!

The aim of this E-REU is to provide students with a truly integrated research and entrepreneurship training experience, giving them both depth in fundamental engineering research, as well as breadth in entrepreneurial skills. As part of this REU, you will take part in cutting edge research on commercializable ideas with UConn faculty, as well as participate in an entrepreneurship program developed by co-PI and UConn’s Entrepreneur-in-Residence, Dr. Hadi Bozorgmanesh.

Benefits:
- Fully paid housing in UConn residence halls
- Meal allowance ($500)
- $5000 stipend ($500/week)

Application Details:
Talented students underrepresented in advanced scientific and engineering research, including veterans, are especially encouraged to apply. Eligible students must be enrolled/intending to enroll in an engineering or closely related STEM field. Please visit e-reu. engr. uconn. edu to apply online.

Application Deadline: March 15th 2017

Your application must include:
- One letter of reference (1 page max)
- Your current resume (2 pages max)
