Tillamook People's Utility District

Employment Opportunity

Engineering Internship

Summer 2017

Tillamook People's Utility District is an electric distribution utility providing quality, reliable service to approximately 21,000 customers in Tillamook County, Oregon. The District employs 81 full-time employees and is governed by a five-member elected Board of Directors.

Position Open: March 2, 2017 until filled
Rate of Pay: $21.00 Per Hour
Qualifications: The ideal candidate will be at least 18 years of age, have earned a high school diploma or G.E.D., and have completed their junior year in a power related Electrical Engineering program. Must possess a valid driver's license.

Projects will include, but are not limited to:
- **Phase Balancing**
  Analyze existing feeder balance and use modeling software to determine potential locations for improvements. Visit these locations to determine feasibility and then prepare trouble calls for line crews.
- **SCADA**
  Prioritizing and setting alarms.
  General data cleanup.
  Assist in updating the system model.

Reports to: Derek Mickelson, Engineering Supervisor, Systems

To Apply: The required fillable application form is located on our website at [www.tpwd.org](http://www.tpwd.org), or contact Tillamook PUD at 1115 Pacific Avenue, PO Box 433, Tillamook, OR 97141 or E-Mail: [jobs@tpud.org](mailto:jobs@tpud.org). In addition to the application, a resume and one letter of recommendation are required.

Eligibility: Under the provisions of the Immigration Reform and Control Act of 1986, Tillamook PUD requires any person hired or rehired to provide evidence of identity and eligibility for employment on the date of hire.
