Your Advisor is...
A professional with expertise in the curriculum for your program, College and University requirements, and resources available to students on and off campus. Your Advisor will answer your questions, connect you to educational opportunities, point you to helpful resources, and partner with you on your educational journey.

Advising Appointments are...
One on one interactions with your Academic Advisor, occurring at least once per term. During these appointments you will discuss your courses and learning, utilize online tools for academic planning, and explore co-curricular experiences like research, internships, student organizations, or studying abroad.

Bioengineering  
Chemical Engineering  
Civil Engineering  
Computer Science  
Construction Engr. Management  
Ecological Engineering  
Electrical & Computer Engineering  
Environmental Engineering  
General Engineering  

Advising Location:  
151 Batcheller Hall  
541-737-5236  
Appointment Scheduling:
