Terms & Conditions:
You have been awarded this scholarship based on the information that was available in university records at the time you were selected. Any change in your enrollment or academic qualifications may result in the cancellation of the scholarship award. Offers are valid only for enrollment at OSU in the College of Engineering starting in the fall term of your first academic school year and may not be transferred to another academic year, institution, or college.
You must accept this scholarship within ScholarDollars or this scholarship offer may be rescinded. By accepting the scholarship, you agree to fulfill all the terms and conditions for receiving this award.

Please note that you must be a full-time, continuously enrolled OSU student to maintain your scholarship eligibility and maintain good academic standing within the College of Engineering. Undergraduate full-time enrollment is defined by OSU as 12 or more credit hours per term. Degree Partnership Program (DPP) students must designate OSU as their home school, register for a minimum of 6 credit hours at OSU, and meet the overall full-time enrollment requirement in combination with the designated partner school each term to be eligible to receive the award. If you are unable to maintain continuous enrollment, you must write an appeal to the College of Engineering Scholarships before the start of the term in question.

The College of Engineering would like to congratulate you again on your outstanding achievements and this scholarship award! Please visit https://oregonstate.scholarshipuniverse.com/ to learn more about this award and complete any additional steps.
