

CCE MEng DEGREE CHECKLIST

Student Name: _____

Date: _____

A minimum of 45 total credits are required for the CCE M.Eng degree, comprised of credits in the major and minor (if minor is included). Items 1a – 1b are “checks” to make sure the 45 credits are comprised of the appropriate distribution from different areas.

Both the student (actual credits) and advisor (evaluation) MUST fill out the information in the two columns below. Then they are to both sign the form. Additionally, a member of the CCE Graduate Committee must sign the form.

	Requirements	Actual Credits <i>(filled in by student)</i>	Evaluation <i>(Advisor must initial)</i>
1. Course credit distribution			
a. Blanket numbered course credits (CE 501, 505, 507*) *CE 507 Graduate Seminar (1 credit Fall)	6 max
