Important Notes & Resources

Important Notes for the College of Engineering and Nuclear Engineering Major:

- Grade requirements: Grade of C or better in all major coursework. See catalog.oregonstate.edu/college-departments/engineering for more information.
- See a sample degree plan by searching "Nuclear Engineering" at admissions.oregonstate.edu/find-your-major
- Other similar majors to explore: Mechanical Engineering
- Nuclear Engineering students: the best time to transfer is **Fall** term one year after starting at community college, particularly due to MECOP. Talk with an OSU advisor about your specific timeline.
- It is important to speak with an advisor early on, and often, to ensure correct course selection and sequencing.

Resources and OSU Information:
